FIRST IN RESULTS TO ADVERTISERS

NUMBER 36

Powles Appointed Clerk to Succeed Late Roy Murrie

Board Issues Three Building Permits Including Boy Scout Lodge

Laurel D. Powles was appointed by the village board Tuesday evening to complete the unexpired term of the late Roy Murrie as village clerk.

Powles has served as deputy clerk since the time Murrie was stricken a year ago. He was out of the city on vacation this week and his place as clerk Tuesday evening was taken by Mrs. Elmer Hunter, the treasurer.

Of three new building permits issued by the board the outstanding one was that of the new lodge for the youth of the village on William street financed by C. K. Anderson and to be named as a memorial to Mrs. Anderson.

The village established the building line for the log structure which will cost \$10,500.

Floyd Horton was given a permit to build a cement block building on Depot st., to house a repair shop, and The Hallway Construction Co. was given permission to erect a small residence the Nabor subdivision.

Attorney George McGaughey was asked to draw up a subdivision plat regulation ordinance. Mrs. W. Warriner is said to be considering a new subdivision in the north part of the village.

Cardinal Lines Permitted To Extend Services from Libertyville to Chicago

The Illinois Commerce commission has given the Cardinal Lines permission to extend its services from Libertyville to the Chicago loop.

Heretofore the company was restricted from carrying passengers wholly between Libertyville and any point east of the North Shore tracks in Chicago.

The line was also given permission to operate over highway 45 from Wedges corners (junction of Grand ave and U. S. 45) south on 45 to its junction with State Bond issue Rte. 21 at Half Day, serving Druce lake, Gages lake, Mundelein and Diamond lake, giving the direct service to Chicago.

These services were started on Saturday.

New High School Buses Accommodate All Students

That the two new school buses now in operation will be able to handle the students for Antioch High and that a third bus will not be needed as planned at the outset, is the belief of members of the school board.

The board more recently decided upon two buses and asked the American Coach Co., to submit a bid on the hauling of the rest of the students who could not be accommodated. The bid was too high, however, and the result was the school figured a way to haul the students in the two buses.

Mrs. Olive Hinterlong Of Lake Marie, Dies Following Long Illness

Mrs. Olive Hinterlong, of Lake Marie, died last Thursday at St. Anne's hospital in Chicago, following a long illness.

Cincinnati was her birthplace. She lived in Chicago 30 years, and about 20 years ago started spending her summers at Lake Marie. Five years ago she and her husband moved there.

Mr. Hinterlong for many years merchandise manager of the men's wear department of the Boston store in Chicago, operated Loon Lake Inn better known as Lee's bar.

She is survived by her husband, a daughter Olive (Tudy) Bader, of Antioch, two sisters, Louise Hoffman and Edith Davis, and a brother William Mollenkoph.

The funeral service was held at 2 p. m. Monday at the Strang funeral home with the Rev. O. R. Littleford of Christ Episcopal church Waukegan, in charge.

Cartoonist to Entertain High School Social Group at Last Meeting of Year

The final meeting of the Antioch Township High school social organization for the year will be held April 13, at 8 p. m., in the high school auditorium and cafeteria. Special entertainment featuring Walt Ditzgen, a cartoonist for the National Newspaper Service and in this area for the Chicago Daily News, has been obtained for this evening. There is also to be special music, the election of a committee for the coming year and refreshments.

Everyone interested is cordially invited to attend and enjoy an evening of special entertainment.

Antioch Wins in Track From Grant and Warren; At Palatine on Friday

Triangular Meet Here Results, Antioch 65½, Grant 55½, Warren 20

Antioch High won its first track and field meet of the season against Grant and Warren here Tuesday.

The score was Antioch 65½, Grant 55½ and Warren 20.

Grant was strong in the dashes and Antioch shone best in the field and distant events. The Sequoits had seven first places, Grant five; and Warren 1.

It was in the 880-yd. run that Antioch assured herself of first place by making a grand slam for a total of 11 points. Five points were given for first place, three for second, two for third, and one for fourth.

The time of 5.18 in the mile taken by January of Antioch, was considered good for the early season while Becker's time of 10:4 in the 100-yd. dash was outstanding. Becker, a Grant youth, won the 100-yd. and 220-yd. dashes at the Lake county meet last year and promises to set even a better time this year.

Kuligowski's toss of 123 ft. 10 inches of the discus was one of the better showings.

Antioch took first and fourth in the mile; first in the high hurdles; second and fourth in the 440; third and fourth in the low hurdles; second and third in the 200; all places in the half mile; first and third in the discus; first and second in the shot-put; first in the pole vault; first in the broad jump; and split the second, third and fourth positions in the high jump and took third in the relay. The relay was Warren's only first place.

DeLoof was Warren's outstanding man, while Becker starred for Grant.

For the Sequoits, January, Mattson, Kraft and Kuligowski were top winners. The only event in which Antioch did not place was the 100-yd. dash.

Tomorrow the Antioch team will go to Palatine to compete with that school and Barrington. The winner of that meet is expected to win the invitational meet later for class B schools and be declared the conference champion.

Twenty-five schools will take part in the Palatine relays on Saturday, Apr. 24, it has been announced. Of this number 13 will compete in the class B section in which Antioch is entered.

Antioch as holder of last year's crown will compete against Barrington, Elia, Geneva, West Chicago, St. Charles, Woodstock, Somonauk, Harvard, Marengo, Grant and Palatine.

The field events will be staged in the morning and the track events in the afternoon. Medals for the first five places will be given. Points will be scored on a 5-4-3-2-1 basis for individual events and 10-8-6-4-2 for relay teams.

Plan Minstrel Show

The Holy Name Society of St. Peter's church will meet at the church hall at 8 p. m. Wednesday when the production of a minstrel show will be planned. Following the business session refreshments will be served and the evening spent at cards.

The 1948 edition of St. Peter's Minstrels is already in early stages of preparation for a showing on May 2-3 and 4. With plenty of talent in both junior and senior groups, the show promises to repeat last year's success.

Joseph Clontea, of DePaul, spent the weekend with the Edward Greens family at Lake Catherine.

New Fire Truck Arrives, Meets Underwriter Test, Is Pride of All Firemen

Antioch's new fire truck arrived from the manufacturer in Anderson, Ind., Sunday and on Tuesday was given a fire insurance underwriter's test which showed it to be satisfactory in every respect.

The test was made by A. H. Gent of the Illinois Inspection bureau who put the machinery through its paces for more than four hours.

The truck is the very latest in fire fighting equipment. It has a 500-gallon tank with a pump that will throw that much water in a minute's time. Ladders, tools of all kinds, and general equipment are included. The machine is equipped to spray sand ahead of it on the roadway to provide traction in slippery places.

The cost was more than \$9,000 but the fire department believes it has a machine that will last many years and provide efficient service. It is housed in the old barn easily along with the old truck.

Just what will be done with the old truck is not yet known. At present it is seeing duty in runs to grass fires. Two runs were made to grass fires at Petite Lake Sunday and a third to the Cardiff home in the north part of the village Monday.

Grade and High School Elections Will Be Held Saturday Afternoon

Somewhat overshadowed by the approaching primary election are school board elections Saturday.

Although there is no competition on the high school ballot, the candidates are hoping for a vote of confidence nevertheless.

Fred Scott is seeking re-election and Dr. D. N. Deering is the other candidate for the two positions on the Antioch Township High school board.

Five candidates are seeking places on the Antioch Grade school board. F. A. Swenson is opposed by Arthur Lubkeman for president of the board, and Harold E. Cardiff, William Horton, Jr., and Chas. L. Wertz are seeking places as members of the board. Two members are to be elected.

Voting will be from 12 to 6 p. m. at the school buildings.

Perhaps a more exciting election this time will be at Grayslake where Supt. A. E. Johnson was relieved of his job last week and the reaction in the community is making itself felt in the balloting for two members on the school board. The candidates are Del Morse, incumbent, R. C. Morton, Chauncey Parke and Warren Chard.

Lake Villa Follies Will Go Into View Tomorrow and Saturday Nights at School

The Lake Villa Springtime Follies, the biggest and best-one the Lake Villa Community Men's club has ever planned, goes on view Friday and Saturday nights at the village school, Milwaukee and Grand Avenues.

Nine completely different acts, all featuring professional artists from Chicago theaters and night clubs, will be spotlighted by one of the best masters of ceremonies in the business, Pat McCafferie, who doubles his own act with a hot clarinet. John Benson, Chicago impresario, is producing the entire show.

Final arrangements were made today by Lester Hamlin, president of the club, and Adam Dick, program chairman, who told The Antioch News that they were enthused over the entire set up.

"It's a bangup show," they said. "And it's one that every member of the family, young and old, is going to enjoy. If it's fun you want this show has really got it."

Ticket sales are under the direction of William Weber and Paul Williamson. Admission is \$1 for adults and 50 cents for children at both Friday and Saturday's performances.

Proceeds will be used to help finance several youth, recreational and educational projects which the Lake Villa Community Men's Club sponsors.

Catches Large Croppie

Mrs. John Koukol caught a 14½-inch croppie in Lake Marie Tuesday evening. The fish weighed a pound and six ounces. She caught it with a fly rod.

John Cobb, Pioneer Resident, Dies This Morning at Waukegan

John Cobb, one of Antioch's oldest residents, passed away this morning at 4:30 at Lake County General hospital where he had been for the past ten weeks.

He was 78 years old and had lived in and around Antioch all his life. He was a carpenter and boat builder and was well known among fishermen and sportsmen of the locality.

He was preceded in death by his wife, who passed away last October. No arrangements for his funeral have been made as yet.

Mrs. Josephine Herman Resident of Bluff Lake, Was Pioneer of Region

Mrs. Josephine Herman, 82, for 75 years a resident of Bluff Lake in Antioch township, died at 3:30 p. m. Tuesday, Apr. 6, at her home following a lengthy illness.

She was born in Chicago December 18, 1865 and was seven years of age when she came to Antioch township. Following her marriage, owned and operated Herman's resort until 30 years ago when she moved to her present home on the west shore of Bluff lake.

Her husband, Charles E. Herman preceded her in death many years ago.

Surviving are two daughters, Mrs. Lula Willey and Mrs. Eleanor Micheli of Antioch; one son, Eugene Horman, of Packwaukee, Wis.; two sisters, Mrs. Theresa Lewis of Antioch and Mrs. Julia Wilton of Lake Villa, and two brothers, Robert Yopp of Antioch and George Yopp of Burlington.

She was a member of the Antioch chapter Order of Eastern Star No. 428.

The funeral service was held at 2 p. m. today at the residence and burial was at Grass Lake cemetery.

William Henry Ryan, 67, Local Pharmacist Dies, Burial at Dougherty, Ia.

William Henry Ryan, 67, pharmacist at King's Drug store, and a resident of 948 Main st., died at his home at 10:50 p. m. Saturday following a heart-attack suffered two days previously.

Mr. Ryan was born Apr. 19, 1880 at Kinsman, Ill. He operated a drug store at Mt. Vernon, So. Dakota for 27 years before coming to Antioch three years ago.

The funeral service was held at 9:30 a. m. Tuesday at the Strang funeral home with a service at 10 a. m. in St. Peter's Catholic church of which he was a member. The Rev. Father F. J. Gilbride was in charge. Interment was at St. Patrick's cemetery, Dougherty, Ia. yesterday.

Mr. Ryan is survived by the wife, Mrs. Minnie Ryan; two sons, Thomas, of Grand Forks, N. D., and Parnell, of Antioch and a daughter, Mrs. Kay Berkeiser, also of Antioch. He has two sisters, Mrs. Henry Morrow of Seneca, Ill., and Mrs. Farnell Vaughney, of Chicago, and five grandchildren.

Lakeland Players Stage Successful Production Before Two Audiences

The play "The Whole Town's Talking" produced by the Lakeland Players was well received by two good audiences at the Antioch Township High school Friday and Saturday evenings.

Mrs. Arthur Meyer, director, said she and members of the group that gave the play are quite pleased with the results and are encouraged to continue with more and better plays next season.

Homer LaPlant, William and Wendell Nelson were outstanding in their acting but Mrs. Meyer gave credit to all who participated.

The players expect to put on three plays a year, one in the fall, another in the winter and the third in the spring. None will be given until fall although the group is considering a series of one-act plays.

A meeting of Lakeland Players is planned for tomorrow evening when a report on ticket sales will be made. It was said that the group received an invitation to give the play elsewhere and this will be considered.

War Honor Roll Board At Village Park to Be Removed With Ceremony

Representatives of the Lions club and the American Legion meeting Tuesday arranged for the velling of the roll of honor at the village park on Memorial Day.

At that time proper ceremony will be conducted prior to the removal of the board which since early in the war has listed the names of those in the community seeing military service.

The two organizations are planning to obtain a plaque which will be set up in some prominent downtown location and which will bear the names of the six who died in service.

The plaque is to be ready for placement V-J Day.

Loren Sexauer, William Brook and D. N. Deering were the representatives of the Lions club and Everett R. Hatfield, Harold Christensen, Edward Jahneke and John Horan representatives of the American Legion in the meeting Tuesday.

Antioch Grade School To Stage Festival at High School Tomorrow

The annual Antioch Grade school Spring Festival will be staged at 8 p. m. tomorrow at the auditorium of the high school.

Each grade will put on an act under the direction of its teacher.

The program includes:

First and Second grade, Pledge of Allegiance, America, Minuet in G, Skip to My Lou, a song, Bohemian dance and Glow Worm.

Kindergarten, Indian song and dance by boys, Baby's Ball, a finger play, Looby Loo dance by girls, Train song and Holiday song by the class.

Third and fourth grades, "Happy Holiday", School Days, Halloween song, When Johnny Comes Marching Home, Deck the Halls, Daisy, Daisy; In Your Easter Bonnet and Happiest Season.

Fifth and sixth grades, "The Jolly Rogers", Sailing, Sailing; Three for Jack, Barnacle Bill, the Sailor, Pop-eye, the Sailor Man.

Seventh and eighth grades, "Band and Chorus", "Legionnaires on Parade", by Kloffman; "Four Leaf Clover", by Woods; "Serenade of the Bells", by Goodheart; "Too Fat Polka", by MacLean; "Sweet Sixteen", by Thornton; "Now is the Hour", by Stewart; and "National Anthem."

Chain O' Lakes Club Elects New Secretary, Plans Season's Races

Nathaniel Hill of Long Lake was elected secretary of the Chain O' Lakes Boat club Saturday evening to take the place of F. S. Pavitt who recently was incapacitated by facial injuries received in an accident at his newspaper plant in Fox Lake.

The meeting Saturday at the Hotel Helvetia saw changes in the by-laws of the organization by which it will be governed by a board of directors instead of by governors and the Commodore will have the deciding vote in event of a tie.

A resolution was passed calling on drivers to agree upon the amount the bore of their motors will be increased with respect to the class in which they will race.

The club voted to take out membership in the American Power Boat association and the Mississippi Power Boat association.

Efforts are being made to have the first race of the season on Sunday, June 13, at the Oak Park hotel.

V. F. W. to Sponsor Ball Team in League This Year

Sequoit Post No. 4551 Veterans of Foreign Wars will sponsor a league baseball team this year.

Jack Crandall who has been prominent in league ball for many years will be the manager.

A call to anyone interested to try out for the team is issued. He need not be a member of the post.

First practice will be held Sunday afternoon at 2 o'clock at the Antioch High school ball field. Hard ball will be played.

Mr. and Mrs. A. L. Schenk returned to their home at Bluff Lake, Sunday, after spending the past four months in Florida.

Primary Campaign Gains Intensity; Election Tuesday

With the 1948 primary election but five days away, candidates are putting last minute touches on their campaigns, and strengthening political fences. A large vote is expected, but weather conditions will play a major part in the number of ballots cast.

Since the preponderance of Republican voters in Lake County makes nomination by the party tantamount to election, most of the campaign spotlights are on county Republican candidates. The Republican ballot will carry the names of forty-five aspirants and the Democratic a total of twenty-four, exclusive of precinct committeemen.

On the Republican ballot, main contests are in the race for state's attorney and sheriff, with four aspirants in the attorney contest and five for sheriff. In the State's Attorney race Harry A. Hall, incumbent, is opposed by Robert C. Nelson, Libertyville attorney; Charles E. Mason, a former state's attorney and Frank Pat Daly. Hall is generally conceded to have an edge over his opponents, because of his tremendous personal popularity throughout the county and his record in office.

In the race for sheriff Stanley M. Christian, chief deputy sheriff and an employee of the office for many years is almost certain to get the nod over Edward M. Tornquist, Lester Talcott, Charles R. Rouse and Francis B. Kennedy. It is thought that Kennedy will receive many votes marked by voters who believe they are still voting for the late "Tom" Kennedy, however this remains to be seen.

A spirited campaign has been waged by most of the candidates for Representative in Congress, with (Continued on page 7)

Scouts To Hold "Project Night" Wed., April 14

Troop 91, Antioch boy scouts will hold a project night on Wednesday, April 14, according to Harold Cardiff, scout master. The scouts will have on display model airplanes, model boats and other examples of handicraft which they have been working on for the past two months. Parents of the boys and the general public is invited to attend the meeting which will be held at the Legion Home.

Eight scouts of the Antioch troop have signified their intention of attending Camp Makajawan, near Antigo, Wisconsin, this summer. The boys will begin their two weeks stay at the camp on July 6th. Cardiff said that a good many more would probably attend, he added that transportation to and from the camp would be free.

Antioch scout executives attended a session of the scout master's training course which is being sponsored by the North Shore area scout council Wednesday evening at Grayslake. The course, which is a three-year affair, will be completed by about twenty-six scout masters this coming weekend, when the masters will spend a weekend at Camp Okaro, near Wadsworth. Men who are enrolled in the training course are Cardiff, who has been enrolled for two years, and Wm. Horton, Jr., Ray Atwood, and Richard Eckert, who have lately enrolled.

Boosters Will Take On Servicer on Sunday Night in Match Bowling

The talked about bowling match between the Antioch Servicer team and the Antioch Boosters has been arranged and it is to take place at the local recreation center on April 18, Sunday at 8:00 p. m.

The Boosters were asked to depart from the usual five man team; therefore the line up will consist of six Keglers each, made up from twelve of the highest and most consistent bowlers hereabouts.

The Booster's lineup will have K. Ashe, with a 178 average, and high game to date of 242. R. Vos, 117-222. E. Kania, 177-247. H. Grewe 175-225. B. Keulman 172-230 and G. Miller 172-222.

Although the total average is less than that registered by the Servicer-center team, it is said the Booster's will overcome that handicap by a sharper competitive spirit. The rooters for the six Boosters will be on hand with their Oh's and Ah's, and the Town Marshall, Fred Peterson promised to be on hand to maintain order and also, Fred promised to have six carnations and six lilies. The carnations to the winners and the Boosters prefer pink carnations.

Insolence Supreme

Regardless of what happens in existing and anticipated controversies between John L. Lewis and the coal mine operators, the public should have a true understanding of the basic underlying facts.

First of all, the contract which Mr. Lewis and the operators signed is an extremely one-sided document—and the advantage is all on the side of the union. It provides that the miners shall work only if they are "able and willing"—a phrase which is obviously susceptible to any kind of interpretation, thus making a joke out of a so-called contract. The operators have no effective resource if Mr. Lewis decides, without notice, that his miners have suddenly become either "unable" or "unwilling" to keep on working.

The miners' welfare fund, which provoked the last walk-out, is another example of Mr. Lewis and the miners having their cake and eating it too. Not a penny of it is provided by the workers. Every cent is provided by the operators, in the form of a levy of ten cents on each ton of coal mined. Many authorities believe that if Mr. Lewis' demand for a pension of \$100 a month for retired miners was met, the levy might be forced up to 50 cents a ton—a figure which the operators could not possibly pay without passing it on to the consumer, and thereby worsening coal's competitive position with other fuels and endangering jobs which are dependent on high production and sales.

Finally, whether or not the union has a strong case, it is clear that a great industry, upon which American industrial production is absolutely vitally dependent, is at the mercy of one man. When coal output stops, the effects are felt immediately in steel, electricity, and transportation, and ultimately in all enterprise. For any man to possess that enormous power is a glaring and dangerous weakness in our economic system.

State Must Not Control Doctors

The strongest argument against socialized medicine is not the enormous drain on the tax-payers it would entail, important as that is. It lies in the fact that the profession of medicine, like the practice of the arts and the higher crafts, is almost entirely de-

pendent on individual ambition, ability, and incentive for progress.

The doctor, like the musician or playwright, works in cooperation with others to gain some given end. But this is not the kind of flat, unimaginative mass effort that characterizes the working of a bureaucracy, where mediocrity gets the rewards, and brilliance and enterprise are frowned upon. The individual must be supreme. One of his chief assets is the right to experiment in an atmosphere of freedom. He must be ready to intelligently deal with the new and the uncharted. He cannot be bound by a set of inflexible rules.

When the state runs everything, a man's politics are all important. That, and his ability to earn favoritism from the bosses, determine the kind of job he gets. But when politics and patronage determine what doctor shall be chosen for promotion, or what writer or musician shall be published and heard, a shameful decline in standards is the inevitable result—as the Soviet Union so thoroughly proves. In the case of the arts, it forces the people to see inferior plays or read inferior books. In the case of medicine, it costs lives.

There is no relationship quite like that between the doctor and those he serves. The state must not be permitted to destroy it.

* * *

Just Good Business

The retailer struggles to keep the price of merchandise within reach of the consumer, not for altruistic reasons, but because by so doing he can sell the most goods. The chain stores were pioneers in proving on a large scale the unquestioned worth of such a policy. Today all progressive retailers follow this practice and hold prices below the level the pressure of demand would make possible.

Chain Store Age says: "In falling markets, chain store prices have always reflected current replacement costs rather than the actual prices paid for the merchandise offered. Giving their customers the benefit of the decline immediately instead of attempting to hold retail prices at a level representing the actual wholesale cost, is standard practice for the food chains." This is the case with practically all merchandising. Greater sales counteract temporary losses brought about by declining inventory values.

This is a great change from the old days when a crossroads store dominated a whole area with a take-it-or-leave-it policy. Fast transportation which permitted wider distribution of goods and greater competition destroyed such monopolies in merchandising. Today the consumer can trade at a store of his choice, in city or rural areas.

Modern retailing depends upon mass purchasing which can only be encouraged by reasonable prices, hence our present retailing system including both chain and independent stores is the best safeguard the public has against price gouging.

WILMOT

Mr. and Mrs. Herbert Peterson and family visited Mr. and Mrs. Neil Quake, at Genoa City Sunday.

Mr. and Mrs. Henry Leiting and Bernice, Mrs. Charles Rasch were Sunday dinner guests of Mr. and Mrs. Elmer Rasch.

Edwin Daniels, of Madison, Mr. and Mrs. Bert Richter and family, of Wheatland, Mr. and Mrs. Cletus Daniels and family, of Brighton, Mr. and Mrs. Bob Lois and family, of Wheatland, Mr. and Mrs. Leon Daniels, Betty Daniels, of Burlington, helped Mrs. Henry Daniels celebrate her birthday anniversary Thursday evening.

Mr. and Mrs. Henry Daniels spent the weekend in Milwaukee visiting friends and relatives.

Mr. and Mrs. Mike Seitz, Rose and Arlene were Sunday dinner guests of Mr. and Mrs. Charles Seitz at Antioch.

Mr. and Mrs. Ferdie Seitz and Cletus, of Paddocks Lake, Charles Hefner, of New Munster, Mary Seitz of Burlington, spent Sunday evening with Mr. and Mrs. Mike Seitz.

Mr. and Mrs. John Corcoran, of Chicago, spent the weekend with Mr. and Mrs. Roger Sherman.

Mrs. Clifford Janke, of Milton, was a Saturday caller at the Frank Zarnstorff, Sr., home.

Mr. and Mrs. Norman Roberts, of Lyons, were Sunday dinner guests of Mr. and Mrs. William Wertz.

Mr. and Mrs. Lyle Techert have moved into their new home.

Mrs. Dan McCallum, Mrs. Clarence McCallum, Mrs. Mary McCallum left Friday for a trip to Springfield and Marion, Ill., to spend a week with relatives.

Mr. and Mrs. Matt Thom and son, Paul, Mr. Jake Thom, of Schaumburg, Ill., spent the weekend with Mr. and Mrs. Gus Neuman, and they all attended the wedding and reception of Mr. and Mrs. Bernard Thom at Burlington Saturday. Mrs. Edwin Parke, of Barrington, also accompanied them.

Lt. George Thom, of California, called at the home of Mr. and Mrs. Gus Neuman Saturday evening.

Mr. and Mrs. Alfred Oetting and family, Mr. and Mrs. Frank Zarnstorff, Sr., spent Saturday afternoon with Mr. and Mrs. Clifford Schaal at Powers Lake.

Mrs. Art May and daughter, Virginia, of Madison, were Sunday morning callers at the Alfred Oetting home.

Mrs. Flavia Ehlert entertained the Jolly eight Friday afternoon.

Rev. Karl Otto and Miss Caryl Trettin, of Wauwatosa, were Sunday guests of Rev. and Mrs. R. P. Otto.

Mr. and Mrs. Elmer Frank and family, of Bristol, Mr. and Mrs. Roy Haller and sons, of Kenosha, were Sunday callers of Mr. and Mrs. Cyril Pacey.

Doris Pacey and Mary Lou Scott spent Sunday afternoon at Twin Lakes with Joyce Richter.

Wilmot High school Music dept., under the direction of Miss Bessie Barnes, will present their annual spring concert next Monday eve-

ning, April 12, at 8:15 p. m. in the High school gymnasium. The concert band, mixed chorus and girls' chorus will be featured, and solo numbers will be played by members of the band. Guest conductor will be Haskell Harr, of Harvey, Ill., who will also play several numbers on the xylophone. Bob Traetz, of Kenosha, master of the trombone will be guest artist of the evening.

vin Harms birthday anniversaries, Mr. and Mrs. Russell Ehlert and cert band, mixed chorus and girls' family, Mr. and Mrs. Melvin Harm Laura Lee Lewis, of San Francisco, Calif., is spending six weeks with her parents, Mr. and Mrs. G. W. Lewis and Mrs. Bessie Burroughs.

Mrs. Flavia Ehlert entertained the following Sunday in honor of Gloria and Frank Ehlert and Mel-

and family, of Lake Villa, Mr. and Mrs. Peter Van Slochteran and son, of Bristol, Mr. and Mrs. Herman G. Frank and family, Mrs. Bertha Harm, John Grabow, Don and Barbara Brown.

Mr. and Mrs. John Hasselman, Mr. and Mrs. Howard Stamm and son, John, of Kenosha, spent Sunday at the Albrecht and Schubert home.

Donald and Barbara Schubert were Sunday dinner guests of Ronnie and Arlene Kunz at Fox River.

Mr. and Mrs. Walter Frank spent Sunday evening with Mr. and Mrs. Walter Procknow at Des Plaines, and also called on Mrs. Walter Vinsky at the Palatine hospital.

Mr. and Mrs. Russell Schmalfeldt, of Kansasville, spent Sunday with Mr. and Mrs. Paul Ganzlin.

Mr. and Mrs. Reed Schumacker, Mr. and Mrs. Wilbur Pollack and sons, of Beloit, Mr. and Mrs. Otto

Holmes and family, of Rockford, Mr. and Mrs. Herman Hasselman, Mr. and Mrs. Albert Hartl and son, of Kenosha, Mr. and Mrs. Virgil Durling, of Beloit, called at the George and Charles Hasselman

home. Charles Hasselman has been under the doctor's care. Marlene Jerde accompanied Mr. and Mrs. William Topel, Jr., of Waukegan, to the Brookfield Zoo Sunday.

Dwight H. Green

Ask For A Republican Ballot

POLLS OPEN 6 A. M. TO 5 P. M.

It's NO. 1 on the "It" Parade

It's much the same way with cars as with people.

Some "have it" — some don't.

Some you go for, all out — without quite being able to lay a finger on why. And those — well, they usually become your firmest friends.

What is it that makes so many good folks say this trim honey's "got it"? Good looks? One has to admit it's nice to ride in a car that is unmistakably itself and not just a slightly modified version of something else.

Size, weight? Well, the polls tell us it's a pretty important factor since, if you like an automobile that does things, there just is no substitute for brawn and solid substance.

Power? Naturally. You can't sit long behind this big Fireball straight-eight without falling for it plenty hard.

Handling? Ride? Room? They all have their avid fans among Buick owners. Especially now with a completely new kind of engine mounting ironing out vibration build-up as never before, and in this Convertible model, with automatic top, door-window and front-seat adjustment.

Is it the wonderful new Dynaflo Drive* that's causing so much talk?

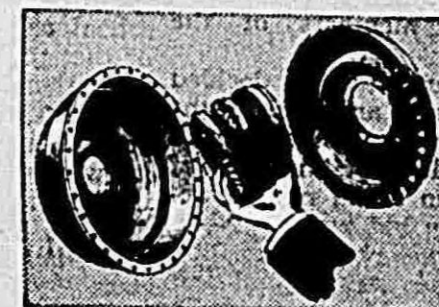

In ROADMASTER models that is certainly a big factor. You'll never know how silky smooth a drive can be — what fluent new ease there is to all your going — till you drive the car where liquid

replaces both the clutch and first, second and high gears.

But as nearly as we can find out — and we talk to a lot of people — it isn't any one thing that puts Buick at the top of the "it" parade. It's the over-all richness of this honey in all the things you've dreamed of finding wrapped in an automobile.

Ask any friend who drives a Buick — then see your dealer and get a firm order in, with or without a car to trade.

When better automobiles are built
BUICK
will build them

WHAT'S DIFFERENT ABOUT DYNAFLO DRIVE**?

To an efficient new pump (left above), Buick engineers have added a true turbine (right) and an ingenious new supercharging assembly (in hand) which produce a torque-boosting action in starting and accelerating. The result is the first device on any American passenger car which employs liquid to fill the function of both the clutch and the usual low, second and high gears. The clutch pedal is eliminated and a simple control gives you manual selection of power ranges and direction.

*Optional at extra cost on Roadmaster models only.

BUICK alone has all these features

- * DYNAFLO DRIVE (Optional, Roadmaster Series)
- * TAPER-THRU STYLING * FLEX-FIT OIL RINGS
- * VIBRA-SHIELDED RIDE * SAFETY-RIDE RIMS
- * HI-POISED FIREBALL POWER
- * ROAD-RITE BALANCE * RIGID TORQUE-TUBE
- * QUADRUFLUX COIL SPRING
- * SOUND-SORBER TOP LINING (Super and Roadmaster)
- * DUOMATIC SPARK ADVANCE
- * TEN SMART MODELS * BODY BY FISHER

Sunday evening the regular monthly meeting of the Cosmopolitans was held at the home of Dr. and Mrs. Calvin P. Midgley. Thirty-five were present including 6 "stinkers". Important matters pertaining to the drafting of the constitution were discussed. It was decided that the organization should be run by two groups, the council, consisting of 6 members of the Cosmopolitans and a board of directors, consisting of the adult members of the group. It was decided that the council should consist of teen-agers having the highest number of points for the year and that the two highest members of the council, a boy and a girl, would be crowned as king and queen at the annual winter wonderland dance New Year's Eve, at a public coronation service. It was decided too, that the adult members of the group should be limited in the ratio of one to seven. The group further decided to add another color to their already existing two colors, whereas they have white and blue, significant of the blue of the hea-

vens and the white of light, of truth and knowledge, that the color red be added to signify life, activity and brotherhood. The slogan of the club then became, "We desire enlightenment on everything under the heavens through activity and brotherhood." It was also decided to have a baseball team and to work in close harmony with Ed Tiede to this end.

Following the business meeting, slides were seen and described during a lecture given by a Mr. Roland Kaiser. This was of particular interest to the group because fully 10 or 12 members of the club were studying Spanish in school.

Following the lecture a number

of the members questioned Mr. Kaiser regarding matters pertaining to South America. Refreshments were served and during the partaking of refreshments a discussion was entered into on self reliance. During the evening a two and one-half minute talk was heard from Pat Nelson, on "Why I Should go to Church." This was the winning talk and Pat received \$5.00 for her effort. \$5.00 was awarded to Jack Mahoney for his essay on "Why I am Glad to be a Cosmopoliteen".

The club is growing very rapidly and members are being taken in from a wide area. During the evening it was learned that new prospective members were present from Lake Bluff, Libertyville, Grayslake and Antioch.

Refreshments were furnished by Pat Kalleher and Georgia Saylor and paid for by the club.

One more week is allowed for entries to be mailed in on the review of the book, "Peace of Mind." It is

expected that a number of the members of the club will contribute to this contest as during the month two special meetings were held to discuss the book. For the month of April, terminating at the next meeting a \$5.00 prize is to be awarded for the best design as a monogram for the club.

For DELEGATE to the REPUBLICAN National Convention

☒ JAMES H. DOUGLAS, JR.

A life-long resident in the Chicago area . . . graduate of the Harvard Law School . . . member law firm of Gardner, Carton & Douglas . . . counsel for American Air Lines . . . director, Metropolitan Life Insurance Co. . . veteran of both world wars . . . Chief of Staff, Army Air Forces Air Transport Command . . . life-long Republican . . . Assistant Secretary of Treasury under Hoover . . . Vice-Chairman, Illinois Public Aid Commission under Governor Green . . . long active in civic affairs . . . father of four sons . . . past President, Chicago Council of Boy Scouts of America . . . Chairman, Public Affairs Committee, Chicago Association of Commerce . . . trustee, University of Chicago.

To Republican Voters of the 13th Congressional District

At the polls on April 13th you will elect two delegates who will help select the Republican nominee for President of the United States. This will be one of the most important decisions in all history.

After careful consideration of the several candidates for delegate, this committee of citizens of your district urges that you . . .

VOTE FOR JAMES H. DOUGLAS, JR.

Douglas is unanimously endorsed by the Republican Committee of this Congressional District. Known to stand for American principles and business-like administration, and with practical experience in public affairs, he is highly qualified to represent you at Philadelphia. His single purpose will be to help select as your candidate the nominee who as President will best serve the people of the United States, realistically seeking to advance peace and freedom in the world.

Douglas is not committed to any candidate. He will welcome your views as to candidates and will work effectively with the Illinois delegation.

If you agree that the work of the Convention calls for delegates experienced in business and economics, patriotic, fair and well balanced in judgment, work and vote for James H. Douglas, Jr. and urge your neighbors and friends to vote for him.

High Psychiatric Loss
In active theaters of World War II, the rate of psychiatric casualties was two or three times that of World War I. Chief cause of the increase appeared to lie in the fact that warfare was more terrifying in World War II than ever before and the mental hazards were considerably greater than those encountered in the trench warfare of 1918.

Telephone Exchange
First telephone exchange in any foreign country was installed in London in 1879, with Samuel Insull as the first telephone operator at the exchange and George Bernard Shaw as one of the employees. Later Insull came to the United States and became Edison's secretary.

Trucks in Milk Trade
More motor vehicles are used in distribution of milk than any other commodity. There are approximately 190,000 trucks used in delivering milk and dairy products from farms to plants and from plants to consumers.

Pays to Spray Cows
When the summer fly season ended in Boone County, Ark., dairymen checked their records, and learned they had received large dividends as a result of spraying their herds with DDT insecticides, according to County Agent Roy C. Keeling.

Cotton Harvester
First patent on a cotton-harvesting device was issued in 1850.

THE NEW AUTOMATIC GAS RANGE...

YOUR OLD FLAME

HAS THE **New Look!**

YOUR FAVORITE range . . . the range with the clean, blue GAS flame has the "new look". The smart design of today's automatic GAS range brings sparkling beauty to any kitchen.

And, this "new look" is more than skin-deep! The new gas range has all the features you've dreamed about . . . including *automatic cooking!* Think of it . . . it turns on—cooks—and turns off while you're away! Accurate time and temperature controls mean perfect results every time, important fuel savings.

Modern GAS ranges give you even greater economy! Your kitchen has never been so cool. Yes, now you can replace your old gas range with one that's much more efficient.

These automatic GAS ranges *still* have all the proven advantages. You can *still* select any degree of heat . . . get instant response for faster cooking . . . and the same dependability.

See the beautiful new AUTOMATIC GAS ranges at your dealer or nearest Public Service Company store today!

PUBLIC SERVICE COMPANY OF NORTHERN ILLINOIS

Franklin Won't Wed G. I. to Get 19 Million

Claimant to Hugo U. S. Fortune
Needs Citizenship

BERLIN — Germany's "million-dollar Cinderella" had an offer of marriage from an American to help her collect a 19-million-dollar fortune which she wants to give to the sick children of Berlin.

Several G.I.s stationed here said that marriage with "Cinderella"—Ursula Bauer—was "nothing to sneeze at," and Pvt. George A. Beaudoin, an M.P. from Stamford, Conn., volunteered to marry her.

But chubby, red-haired Ursula—with a fortune dangling before her—retorted "none of these Johnnies for me."

She said she is engaged to a Hamburg engineering student and "marrying him is more important to me than G.I.-bride passage to a few million dollars."

Ursula claims she inherited the money from a distant American cousin, Henrietta E. Garrett of Philadelphia, 10 years ago, but war and occupation have kept her from getting to the United States to collect.

(Executors of the Garrett estate in Philadelphia reported that Ursula is only one of 28,000 claimants from 18 states and 53 foreign countries. Mrs. Garrett, widow of a snuff manufacturer, died in 1930. She left no children, the estate's value now is 25 million dollars.)

U.S. officials here said that Ursula's fortune would remain frozen and maybe seized for reparations unless she could attain American citizenship—which would take years, if she has to sweat out the huge immigration backlog. Marriage to a U.S. citizen would solve her problem in a matter of minutes.

Also Break Necks

According to J. Edgar Hoover, 85 to 90 per cent of the driving accidents in many large cities are caused directly by persons who break traffic laws.

Eye to Future

Housewives with an eye to the future are canning and freezing fowl now for use later when prices will be higher.

War Dehydrated Foods
The U. S. sent approximately nine million pounds of dehydrated foods to its forces in France. Of this quantity more than two thirds was potatoes.

Stinger Bore Deep

The stinger of a honey bee continues to bore deeper into the human skin even after the bee itself has been pulled away and the stinger no longer is attached to it.

STANLEY M. CHRISTIAN

Republican Candidate For

SHERIFF

"QUALIFIED BY EXPERIENCE"

Elect a man for SHERIFF who, through his training and experience in that office, has qualified himself for the position.

STANLEY M. CHRISTIAN, has been a resident of Lake County for the past 44 years, he is 49 years old. A home owner, he resides with his family at 314 No. Jackson Street, Waukegan, Illinois.

He has been employed in the Sheriff's Office for the past 14 years and has a wide experience in handling both civil and criminal cases. For the past year he has served in a supervisory capacity as Chief Deputy Sheriff of Lake County and was Chief Criminal Investigator for 10 years prior to that appointment.

He is responsible for and established the present Bureau of Identification in the Sheriff's Office. He is a fingerprint and criminal photography expert.

STANLEY M. CHRISTIAN is a graduate of the F.B.I. NATIONAL ACADEMY at Washington, D. C., which is recognized as the finest Police Training School in the world. Since his graduation, he has attended every Retraining Course offered by the Academy, in order to avail himself of all the latest methods and developments in Police Administration and Scientific crime detection.

He is a veteran of World War I, and has two sons who are veterans of World War 2.

He is a life-long Republican and was a Republican Precinct Committeeman of Lake County for 10 years.

YOUR VOTE AND SUPPORT WILL BE APPRECIATED.

Primary Election—April 13, 1948.

REPRESENTATIVE NICK KELLER CANDIDATE FOR RE-ELECTION

Republican Legislator From
8th Senatorial District Has
Outstanding Voting Record
And Committee Assignment

State Representative Nick Keller, candidate for re-election from the Eighth Senatorial district, has demonstrated an outstanding voting record, as well as industrious and 12 years in Springfield, a review of his record reveals.

As chairman of the Committee on Military and Veteran Affairs, and member of the committees on Executive, Liquor Regulation, Waterways, Conservation, Fish and Game, and Illinois Commission on Inter-Governmental Cooperation, he has played an important role in a number of legislative problems.

For example, he wholeheartedly supported the Illinois State Veteran's Bonus currently being paid to 900,000 Illinois veterans—the biggest bonus of any state in the Union.

AGRICULTURE
Representative Keller has been awarded the highest rating by the Illinois Agriculture association. During each successive legislative session he has received the rating of "excellent" for his unbroken voting record on dairy, farm, and agricultural legislation.

LABOR
A former chairman of the Illi-

nois House Committee on Industrial Affairs, Mr. Keller has repeatedly, session after session, received the endorsement of the Illinois State Federation of Labor, the Joint Legislative board, and the brotherhoods of railroad trainmen because of his outstanding voting record toward raising the standards of labor.

SCHOOLS

In the support and sponsorship of school legislation, Representative Keller has one of the most outstanding records in the Illinois General Assembly. He is former chairman of the House Committee to Visit Illinois Educational Institutions. He sponsored and has worked on many measures in behalf of police, fire, township, county, and municipal organizations.

A member of the American Legion, he has the endorsement of many business, civic and professional groups in addition to labor and agriculture, and of the Better Government Association and the Legislative Voters League of Illinois.

Representative Keller's record in support of progressive and honest state legislation, his outstanding service on numerous committees, and his unflinching integrity and sense of fairness deserve your consideration and support on Tuesday, April 13th.

PRIMARIES APRIL 13, 1948

"Talk about VALUE," says America
"CHEVROLET
and ONLY Chevrolet
IS FIRST!"

You'll get much better performance with economy from Chevrolet's world's champion Valve-in-Head engine. It has the finest record of dependability of any automotive power plant! And Valve-in-Head engines are exclusive to Chevrolet and more expensive automobiles.

How much more smoothly and steadily Chevrolet rides on all types of roads! Here's real Big-Car comfort. It's the fine result of the Utilized Knee-Action Gliding Ride; and this feature, too, is found only on Chevrolet and higher-priced cars.

You'll find that new front-end styling—new colors—new and even more luxurious interiors add still further to the Big-Car beauty of Chevrolet's Bodies by Fisher. They're the world's finest bodies, found only on Chevrolet and higher-priced cars.

You and your family will have Big-Car safety, too. For Chevrolet brings you the three-fold protection of Fisher Unisteel body-construction, the Knee-Action Ride, and Positive-Action Hydraulic Brakes—another combination of features found only in Chevrolet and more costly cars.

Turn In Scrap Iron and Steel

Yes, from one end of the country to the other, public enthusiasm for the new 1948 Chevrolet points to a great public conviction that CHEVROLET AND ONLY CHEVROLET IS FIRST in all-round value as in popularity. More people drive Chevrolets, according to official nationwide registrations and more people want Chevrolets, according to seven independent nationwide surveys than any other make of car. You'll understand why when you see this newer, smarter, finer Chevrolet for '48. Your own judgment will tell you that it gives more value . . . that it alone offers BIG-CAR QUALITY AT LOWEST COST!

As you know, public demand for new 1948 Chevrolets is at the highest level in all Chevrolet history. For that reason, we urge you to keep your present car in good running condition, pending delivery of your new Chevrolet. Come in, get skilled, dependable service, now and at regular intervals.

SOCIETY EVENTS

Marilyn Hecox Is Bride of Robert White

Millburn Congregational church was the scene of a pretty wedding Saturday afternoon, March 27, at 2:30 o'clock, when Marilyn Hecox, daughter of Mr. and Mrs. C. E. Reed of Stratford, Wis., exchanged marriage vows with Robert C. White, son of Mr. and Mrs. George R. White, of Hebron. Rev. L. H. Messersmith, pastor of Millburn church performed the ceremony before the altar decorated with candelabra of white candles, baskets of daffodils and pussy-willows.

The bride wore a floor length gown of powder blue crepe and lace, and a tiara of yellow roses in her hair, her bouquet was yellow tea roses, was given in marriage by her brother, Donald Reed, of Burlington, Wis. As matron of honor, Mrs. Homer White wore a floor length gown of beige crepe, her flowers were red roses. Homer White attended his brother as best man, the ushers were Lloyd White, Jr., of Waukegan, and Wendell Osborne, of Burlington, Wis.

The groom's mother sang "Al-ways" and "In the Garden of To-morrow," accompanied on the organ by Hans Von Holwede, who also played the traditional wedding march.

The bride's mother wore navy blue print and her corsage was of white carnations while the groom's mother wore grey and her flowers were pink carnations.

Following the ceremony a reception was held in the church dining rooms. The young couple left for a short wedding trip, after which they will be at home to their friends near Hebron, where White is engaged in farming with his father.

METHODIST CHURCH TO SECURE PIPE ORGAN

Installation of another pipe organ in the Methodist church has been approved unanimously by the members of the Official Board following an appraisal of the present instrument by organ experts. The present organ in the Methodist church was installed approximately thirty-five years ago, but within recent months the organ has reached the point of complete breakdown, and on some Sundays has been out of commission.

A Steering Committee consisting of Mr. William Petty, chairman, and Mrs. George Good, Mrs. Margaret Gaston, Mr. Charles Watson and Mr. Roy Kufalk has been appointed to expedite the raising of funds and the actual installation of the organ. The cost of the organ which has been selected to replace the present instrument is approximately \$2,000.

MILLBURN LODGE TO SPONSOR CARD PARTY

Members of the Millburn Masonic lodge will sponsor a public card party at the Masonic Hall in Millburn Saturday evening, April 10, at 8 o'clock. Bridge, 500, pinocle etc. Card prizes, luncheon.

Mr. and Mrs. T. M. Palaske who have spent the past several weeks in Miami, Fla., returned home last week.

Betty Barton Greco Talks on Diamonds To Woman's Club

Betty Barton Greco, of Winnetka, Ill., gave members of the Woman's club interesting information Monday afternoon on the famous diamonds of the world including the Kohinoor, the "unlucky" Blue Hope and the romantic story of the Gregory Arloff.

She had exact replicas of these diamonds and many others on display with her lecture.

Luncheon was served following the talk.

The next meeting of the club on Monday, Apr. 19, will be a tour to Merchandise Mart, the members going by chartered bus which will leave the village at approximately 10 a. m. The definite time will be announced later. Luncheon will be eaten on the way into Chicago.

The return home from the Mart will be at 4 p. m. Reservations are to be made with Mrs. C. E. Hennings by Monday, Apr. 12.

Joseph L. Cosgrove has been confined to his home for the past three weeks, due to illness.

Antioch chapter Order Eastern Star will hold its regular meeting Thursday evening at 8 o'clock in the Masonic hall. Following the business meeting three candidates will be initiated in the order. Luncheon will be served in the dining rooms later in the evening.

Card Of Thanks
I wish to thank all my friends and relatives for the gifts and flowers and cards sent me while in the hospital. Thelma Longly

Primary Campaign.....

(Continued from Page 1)
the veteran Ralph E. Church opposed by that perennial runner, Stephen A. Day; R. L. Whitehouse; and John Nuveen, Jr.

William M. Marks, of Lake Villa, long a power in county and state politics, will be opposed for the state central committeeman job by Augusta Knight, Jr. Marks' long record of service to the party, and his ability and wide acquaintance in the district are almost certain to insure his election, according to political observers.

The name of Harold D. Kelsey, who died several weeks ago, will appear on the ballot as a candidate for Representative in the General Assembly, along with those of Nick Keller, Adolph Gerlich and Harvey Pearson.

Only other contest for county office is for County Recorder, which will see Gustaf H. Fredbeck opposed by William D. Whyte. Fredbeck has held the position of chief deputy recorder for the past several years, and is very well known throughout the county, having served as county treasurer for several terms before going to the recorder's office. Although Whyte is a comparatively new office-seeker, he has been connected with county Republican campaigns in the past as manager of Republican headquarters in Waukegan. Fredbeck's long record of service would seem to insure his election to the post.

L. J. Wilmut, candidate for Clerk of the Circuit court is unopposed for re-election as Garfield R. Leaf for County Coroner and Albert J. Pearsall for County Auditor.

There will be no contest in Antioch Precincts number two and three, but three local men are seeking the job in Antioch precinct one. L. D. Fowles is the candidate for precinct two and Art Gardiner for precinct three, west of the Fox river. Lewis Pregoner, who has held the committeemanship for precinct one is opposed by Jack Wolff and John R. Russo. All three are making good campaigns.

On the democratic ballot there are no contests for county offices. James P. Morse is the lone aspirant for state's attorney; Charles Cermak for Circuit Court clerk; Charles W. Wray for corner; Chas. G. Lind for County Recorder; Harris Estes for county auditor and Michael Dyer for sheriff.

The name of Charles Cermak will appear on the ballot twice as he is running also for precinct committeeman in Antioch precinct two to succeed his wife. Other committeeman candidates are Vernon Rogers in one and Al Friedle in precinct three.

Don Bauer Pilots Team Of Servicenter to Victory Over Swedish Glee Club

Powered by Don Bauer towering 698 series, the Antioch Servicenter match team defeated the Swedish Glee club from Waukegan by a score of 2859 to 2542 at Antioch Sun day night.

Don compiled his season high individual series for the Servicenter team by rolling games of 191, 253 and 254. He was given good support by his teammates with Ed Carney rolling 565, Emil Hallwas 549, Carl Gibson 545 and Ray Horan 512.

Al Kevenin was high man for the Glee club on a 540 series. Abby Lenarsic, anchoring for the losers and Lake County singles champ, encountered considerable "railroad" trouble, and came up with only one good game, a 202 in the middle set.

Wilmut High School Girl Killed When Struck by Car

Barbara Ann Hoffman, 15-year-old student of Wilmut High school, was killed this week when she stepped from a school bus in the path of another car. Death was instant. The accident occurred on Rte. 45 at Lake George.

Acquaintance of the girl said that

she recently came to the vicinity of Wilmut with her parents from Chicago. A brother met accidental death in Chicago and the family thought residence in the rural area would be safer.

Mrs. Anna Hoyer, aged 89 Former Antioch Resident, Dies in Maywood, Illinois

Mrs. Anna Hoyer, for many years a resident of Depot st., in this village, died last Thursday at Maywood, and the funeral was held there Saturday. Burial was at St. Patrick's cemetery in Newport township.

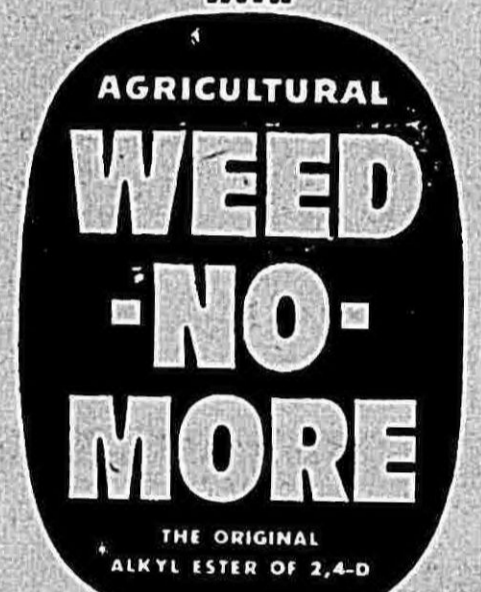

Attending the service from Antioch were the nieces, Mrs. Frank Hunt and Mrs. Dan Walsh.

Mrs. Hoyer was 89 years of age at the time of her death. She had been in failing health for nearly four years.

Surviving are two daughters, Mrs. Evelyn Chandler of Kentucky, and Mrs. Kathryn Schram, of Maywood, and a son, Fred Hoyer, of Chicago. A son, Frank, and the husband preceded her in death.

Sheriff Issues Warrants to 54 Students on Fraud Charge
BROOKINGS, S. D. — Fifty-four State college students received warrants of arrest charging each with "obtaining a South Dakota resident hunting license for the 1947 season fraudulently."

State's Attorney W. R. McCann described the arrests as "technical" and said that none of the college students has been jailed.
The arrests followed an investigation which was prompted by the appearance of many bearded hunters in pheasant fields. Wardens noticed that bearded hunters invariably carried resident hunting licenses but that their automobiles often bore out-of-state plates. The students had grown beards for Hobo day at State college.

Trade With Cuba
Trade between the United States and Cuba is important to both countries. From 1902 through 1945 the total value of all Cuba's exports was approximately \$10,250,000,000, of which sugar and sugar byproducts accounted for about \$8,250,000,000. This trade has been the dominant factor in Cuba's economy.

KNIGHT

REPUBLICAN
STATE CENTRAL
COMMITTEEMAN

The future of the Republican party depends on young men and women doing their share of party service and leadership.

AUGUSTUS KNIGHT, JR., active in Republican work and civic affairs, six-year Navy veteran, Chicago businessman and life-long resident of the 13th District, will give able representation on the State Central Committee.

"GUS" KNIGHT will bring into party activity the younger men and women—particularly veterans—whose efforts are needed for Republican success now and in the years ahead.

New Synthetic Rubber
A new synthetic rubber which may equal or surpass natural rubber in tire treads is here. The new rubber is made at the frigid temperatures between zero and 40 degrees instead of at the customary 15 degrees.

Importance of Water
A plentiful supply of water supplements an efficient feeding program on the farm. Water constitutes 60 per cent of meat, 87 per cent of milk, 55 per cent of poultry flesh and 65 per cent of eggs.

Electric Block System
Thomas S. Hall in 1887 invented the automatic electric block system. First installation was made on the New York and Harlem railroad. The wheels of the locomotive strike a lever pivoted to the rail and this in turn sets the signal at danger until the train is out of the block.

Dogs Ride the Air
The St. Bernard dogs at Sun Valley, Ida., like to ride the fleet of eight electric ski lifts. They would rather sit on passenger's laps. The valley is on the edge of the greatest wilderness area in America.

Soviet Citrus Crop
The 1947 crop of oranges, lemons and tangerines ranks as the biggest ever raised in the Soviet Union. The prospects for 1948 promise further increases. This is due to the maturing of millions of trees as well as the favorable weather and the work of citrus growers in 1947.

Plastics for Walls
Plastic wall coverings, pliable enough to bend around corners, now are available for household use. They are especially adapted for rooms where a durable, waterproof covering is desired, such as nurseries, bathrooms, kitchens and playrooms.

Influence of Home
A recent survey of 100,000 secondary school children indicates that they believe the influence of home and family accounts for 38 per cent of their personalities. The influence of teachers and church tied at 5 per cent.

LAKE VILLA

Rev. Dwight Dixon has announced the topic, "Despair, or Faith" as basis for the sermon at the Community church next Sunday at 11 a. m. You are very welcome to worship at this church if you have no other church home.

The Wesley Club of grade school children held a meeting at the church at 7:30 last Sunday evening, and the High school Youth Fellowship group will meet next Sunday evening. Both groups are planning various activities and hope to include all the young people of the community.

The church board of the Community church held its regular meeting with Mr. and Mrs. B. J. Hooper at their home on Tuesday evening.

Mrs. Inez Manzer, her daughter and grand daughter, Mrs. Marguerite Jack and Angelo, of LaFayette, Ind., came early last week to visit the Frank Hamlin family and Mrs. Manzer remained to spend a few weeks with relatives and friends.

Mr. and Mrs. C. W. Reinebach and Mr. and Mrs. Joe Eberler, of Chicago, left early on Sunday on an auto trip to include New Orleans, Biloxi and other interesting places in the South. They expect to be away for two or three weeks.

Mr. and Mrs. Eugene Sheehan, of Antioch, and their daughters, Nancy, Diane and Janet, also the Junior Avery's were dinner guests of Mr. and Mrs. Paul Avery, Sr., last Saturday evening in honor of the Sheehan's fourteenth wedding anniversary. Mr. and Mrs. Avery, Jr., left early Tuesday on an auto trip to New York City, combining business and pleasure, for they will visit Mrs. Avery's brothers and families there.

The Boy Scouts, with scoutmaster, David Schrum, enjoyed a trip to Chicago in the school bus last Saturday, visiting Field Museum and other places of interest to boys.

Mrs. Elizabeth Eyre returned last week from a three weeks visit with her sister in Florida and is with her daughter, Mrs. Clarence Hansen.

Mrs. Henry Cable accompanied her sister and husband last week Thursday when they visited relatives at Belvidere, Ill.

Mrs. Joe Nader, Jr., was guest of honor at a surprise shower last Thursday evening at the home of Mrs. Leonard Schneider, and she and her infant daughter, Penny Jo, received many beautiful and useful gifts.

Mrs. Paul Avery, Sr., Mrs. Marie Hamlin, Mrs. Ollie Tweed, Mrs. Lottie Barnstable, also Mrs. Gladys Ames, of Gurnee, spent Wednesday last week at a quilting party at the home of Mrs. Charles Hamlin working on a quilt for Cedar Lake Camp of Royal Neighbors.

Because of election day, the Royal Neighbors will hold their regular meeting on Monday afternoon at 2 o'clock at the Village hall.

Mr. and Mrs. Harry Olson, of Chicago, spent Saturday and Sunday with Mrs. Olson's sister, Mrs. Ben Cribb, and family.

Frank and Alfred Almquist and their sister, Eileen, of Chippewa Falls, Wis., spent their Easter vacation with their grandmother, Mrs. Anna Nader, and other relatives here.

Many relatives of August Koppen, who passed away last week and whose funeral was held last Saturday, were at the Zenor home following the services at the chapel and cemetery. Mr. Koppen spent a long and useful life in this community.

Mrs. Ella Talbott, her daughter, Mrs. Philippi and granddaughter, Mrs. Simonson, of Waukegan, were Lake Villa callers one day last week.

A great deal of interest is being shown in the coming school election next Saturday, April 10, at the school from 3 to 7 p. m. B. J. Hooper present president is up for re-election and present clerk, Olive Martin is also up for re-election. Others in the field are Allyn Burt, of Cedar Lake and Arthur Hlavin, of Venetian Village.

Chas. Wallenbucker, who has been janitor at the school for some time, has resigned and Chris Anderson has taken over the job.

Mrs. Katherine Rhoades was taken to Condell hospital at Libertyville last week for treatment of a stroke and is improving.

For Science and Art

The first museum was the Alexandrian museum established about 280 B. C.

These Critical Times Demand Experienced Leadership...

Keep Congressman RALPH E. CHURCH in Congress—You Need Him There

1. He is already an EXPERIENCED and SOUND leader
IN Congress

Now on vitally important Appropriations Committee and Senate-House Joint Committee on Legislative Budget, aggressively fighting to reduce gov't. spending, taxes and debt, and for fullest production and employment as bulwarks against inflation.

6 years on NAVAL AFFAIRS COMMITTEE—Pioneered in National Defense: Urged air supremacy and production inland, opened Great Lakes Station 1935 and Glenview Air Base. Lt. Comdr. USNR 1938-41. Two sons in World War II. Now urging strong air invincibility.

Has served also on the following committees:
Expenditures in the Executive departments,—Merchant Marine and Fisheries,—Insular Affairs—War Claims—Elections—Patents, and—Revision of Laws.

Chosen by fellow Congressmen for Republican
Whip Organization.

2. His "SENIORITY" in Congress, committee assignments, experience and influence are highest assets to this District. Thus Congressman Church can—and does, get things done. It would take years for a freshman in Congress to reach this position.

3. He is experienced in International Affairs for Peace:
U. S. Delegate to Inter-Parliamentary Conference, Oslo, Norway, 1939.

4. He Never Dodges An ISSUE:
And he has never missed a roll call, session or vote entire 12-year alert service in Congress.

His work in committee and speeches on Floor of House produce results.
5. His personal—and political—integrity has never been questioned.
"Such a Congressman cannot be spared."—Waukegan News-Sun, Feb. 17, 1948.
On his record of efficient public service in State Legislature and 6 terms in United States Congress.

Ask for a REPUBLICAN BALLOT April 13

Vote For

RALPH E. CHURCH

For Representative in Congress --- 13th District

The only Republican Congressman from Cook and Lake Counties for 4 terms.

Endorsed by entire Republican Organization of 13th District (with one exception)—Endorsed by Republican Men and Women of New Trier—Endorsed by leading Republican citizens of the 13th District.

"Ralph Church, in his six terms in Congress, has built an unsailable record of sound legislation for his country, and of constant, painstaking service to his district." The Waukegan News-Sun, Feb. 17, 1948.	"On The Job" "Indefatigable in his regular duties." "Persistent in his efforts to aid constituents." "... That type of official cannot well be spared." Editorial—Winnetka Life, Winnetka Talk, Glencoe News.	"Able, watchful and hard-working... his attention to legislative detail has made him an important and useful member of the House." Chicago Tribune	"... spends more time personally and effectively taking care of the affairs of his own district than perhaps any other man in Washington... he holds powerful committee memberships. Because of this record and because any freshman Congressman will lack his knowledge and influence in Washington, the Review believes Congressman Church is the best choice in the April 13 primary." Evanston Review, Apr. 1, 1948
---	---	---	--

We urge the Nomination and Election of Congressman Ralph E. Church as Representative in Congress from the 13th Congressional District:

Navy Plans to Build**80,000-Ton Air Carrier**

WASHINGTON, D. C.—Secretary of the Navy John L. Sullivan revealed navy plans for a 80,000-ton aircraft carrier and eight other experimental ships and speedy submarines.

The new construction plans include four submarines capable of extremely high speed under water, one "hunter-killer" ship for destroying such submarines and the giant 80,000-ton carrier which would be almost twice the size of the largest carrier the navy now has.

Secretary Sullivan said the navy asked congress for 230 million dollars for the whole shipbuilding program which he estimated would take up to five years to complete.

Work on the navy's two guided-missile ships, the Kentucky and the Hawaii, was suspended indefinitely because the art of guided missiles has not progressed fast enough to warrant finishing the ships now.

Squirrel Has Free Snack, Escapes Through Window

PHILADELPHIA.—A hungry, gray squirrel with a sweet tooth entered the home of Mrs. J. Earl Callis, helped himself to a fruit cake which was to be used for a party and escaped through an open window when pursued by Policeman Collin Houston.

In his wake the surprised intruder left smashed antique dishes, scattered papers, broken perfume bottles and chewed bed quilts. He entered the house through a chimney and was wiping fruit cake from his mouth when he was spotted by the policeman.

Yeast From Citrus
Production of feed yeast, rich in high-quality protein and in the vitamin B complex, by growing the yeast on the juice pressed from ground, limed citrus peel has been announced by the department of agriculture.

First Cowcatcher

The cowcatcher on trains, a strictly American feature, was the invention of Isaac Dripps, a young mechanical engineer of the Camden and Amboy railroad, in the early 1830s. So many cows trespassed upon the railroad that Dripps decided to install on the front end of the locomotive a small truck supporting two iron spears. The Dripps device was effective, but it was fatal to the cows. To avoid damage suits, he substituted a crosswise bar much like the present-day bumper on an automobile, and from this evolved the present V-shaped cowcatcher.

Churches in Iowa
Iowa now has 4,000 churches and 2,500 ministers and priests.

**VOTE FOR
EDWARD
TORNQUIST****REPUBLICAN CANDIDATE FOR
SHERIFF**

I am a candidate for Sheriff because I feel I am qualified to give Lake county the best, most efficient and honest administration it is possible to give. I have taken a leave of absence from my duties in the sheriff's office so as to conduct my campaign without expending either time or money that belongs to the taxpayers. My 10½ years of experience on the sheriff's staff makes me cognizant of the duties of the office. If nominated and elected I will work with the men on the staff, co-operate with other law enforcement officers, and do everything within my power to see that the law is enforced.

Your Vote and Support will be appreciated

(Signed) EDWARD TORNQUIST
